**A Note on My Sources:**

I began my research on Brooklyn Cemetery in 2006, and since then I have identified its occupants (and estimated locations of individual graves) using many sources. These include

- "Athens-Clarke County, Georgia Cemeteries"(Athens Historical Society, Inc., 1999)
- City directories from 1898-1960 (archived in the Heritage Room, Athens-Clarke County Library)
- Online death certificates from 1919-1940  
(<http://www.deathindexes.com/georgia/index.html>)
- Personal interviews with about 30 family members of those buried in Brooklyn
- US Census data from 1870 to 1940
- Find-A-Grave
- Interviews with personnel at all mortuaries serving the black community and examination of the archives at Bernstein, Winfrey and Hurley Funeral Homes.
